DEFENDANT’S STATEMENTS, WAIVERS AND STIPULATIONS

I, the defendant herein, am the person named in the State’s Motion to Revoke or Adjudicate Guilt (State’s Motion), and the same person placed on community supervision in this cause.

I am mentally competent. I understand the accusations made against me in the State’s Motion

and the range of punishment for the offense for which I was placed on community supervision.

I understand that my plea of true, standing alone without any other evidence, is sufficient for the Court to determine that I violated the terms and conditions of my community supervision. I also understand that if the Court determines that I violated the terms and conditions of my community supervision, the Court may continue me on the same terms and conditions of community supervision; or the Court may amend the terms and conditions of my community supervision, including the length of its time period; or if adjudication of guilt had been deferred the Court may adjudicate my guilt, find me guilty and assess my punishment anywhere within the range of punishment provided by law for the offense for which I was placed on community supervision; or if guilt has previously been adjudicated the Court may assess my punishment anywhere within the range of punishment provided by law for the offense for which I was placed on community supervision, not to exceed the punishment originally assessed when I was adjudicated and placed on community supervision.

I waive arraignment and reading of the State's Motion. I waive any and all defects, errors or irregularities, whether in form or substance, in the State's Motion. I further waive my right to ten days to prepare for trial after the appointment of counsel (if counsel has been appointed), and plead true to the allegations made against me in the State's Motion.

I understand that I have the right to remain silent and that anything I say can and will be used against me. I waive my right to remain silent. I also understand that I have the right to have the witnesses against me appear in court so that I can confront and cross-examine them. I waive that right and agree to the oral and written stipulation of evidence or testimony, to the introduction of testimony by affidavits or written statements, and to all other documentary evidence.

I understand that I have the right to appeal to the Court of Appeals. If the punishment assessed by the Court is not greater than that for which I have plea-bargained in the plea agreement herein, I do expressly, voluntarily, knowingly and intelligently give up and waive my right to appeal on any matter in this cause.

I understand that I have a right to request a new trial. If the punishment assessed by the Court is not greater than that for which I have plea-bargained in the plea agreement herein, I do expressly, voluntarily, knowingly and intelligently give up and waive my right to request a new trial in this cause.

I understand that if I am continued on community supervision in this cause and I am charged with a violation of my community supervision and arrested in another state, under the Uniform Extradition Act I have the right to require the issuance and service of a warrant of extradition, the right to hire legal counsel, or if indigent, to have legal counsel appointed, and the right to apply for a writ of habeas corpus to contest my arrest and return to the State of Texas. I do expressly, voluntarily, knowingly and intelligently give up and waive my rights under the Uniform Extradition Act, waive extradition, and waive my right to contest my return to the State of Texas from any jurisdiction where I may be found.

I confirm that my statements, waivers, plea of true, judicial confession and stipulation of evidence are freely and voluntarily made, and not influenced by any consideration of fear, persuasion, or delusive hope of pardon or parole.

I, the defendant herein, judicially confess and stipulate in open court that on _____, _____, I was placed on community supervision in this cause for a period of _____, that I received a copy of my conditions of community supervision, that the conditions were explained to me and that I understood the conditions. I further judicially confess and stipulate in open

court that while on community supervision I violated the conditions of my community supervision as alleged in the State's Motion, a copy of which is attached hereto and incorporated by reference.

SIGNATURES AND ACKNOWLEDGMENTS

I, the defendant herein, acknowledge that my attorney has explained to me, and I have read and understand all my rights. I further acknowledge that my statements, waivers, judicial confession and stipulation of evidence are freely and voluntarily made with a full understanding of the consequences. I request that the Court accept my statements, waivers, statements, judicial confession, stipulation of evidence and plea of true.
